Dear Examiner Milef:

This paper is submitted in response to the Office action mailed October 4, 2005, for which the three-month date for response was January 4, 2006. Applicant respectfully petitions that a three-month extension of time to respond be granted. This three-month extension will extend the time for response to April 4, 2006, which is within the six month statutory time for response. This three-month extension is also applicable to the Notice of Appeal that is being filed contemporaneously with this paper and this petition for a three-month extension of time.

In connection with the extension, Applicant hereby requests and authorizes the Commissioner to deduct the large entity three-month extension fee of \$1020.00 from the Vinson & Elkins L.L.P. Deposit Account No. 22-0365, Attn: PRE556/4-002DIVUS. No other fees are believed to be due. If an error in calculation has been made or any additional fees are due, the Commissioner is authorized to deduct or credit the same Vinson & Elkins Deposit Account as necessary.
